

Parker Cooperative Research Centre
for Integrated Hydrometallurgy Solutions

Invitation

2008 Parker Centre Science Day

Emerging Research Outputs & Future Directions

Date: Wednesday 12 November 2008

Time: All day

Place: Australian Minerals Research Centre
7 Conlon St (off Manning Rd), Waterford, WA

The Parker Centre Science Day will showcase the Centre's research for the minerals industry's current and future needs.

This seminar day will illustrate the breadth and depth of the Centre's work and its potential value to industry, and will include:

- ▼ **Two parallel sessions:**
 - ▶ **A session of presentations on the Centre's research for the Alumina Market**
 - ▶ **A session of Base Metals Market & Gold Market research presentations**
- ▼ **Presentations by Parker Centre PhD students**

A draft program, designed to assist those with particular areas of interest and limited time to attend, is also available on the Centre's website.

There is no charge. Morning tea, lunch and afternoon tea will be provided and the day will finish with a drinks and nibbles networking session.

Your colleagues and associates are most welcome to attend. Please feel free to circulate this invitation to anyone else you think would be interested in the day's activities.

Please RSVP to:
Ph (08) 9334 8951, Fax (08) 9334 8959, E-mail: s.rogers@parkercentre.com.au

Kind regards,
Steve Rogers
Chief Executive Officer
